Replacement cells are also available from your local Pool Pro Stockist.	

FIND THE RIGHT MODEL FOR YOUR POOL

1. Find your pool capacity (x1000 litres) in the top row of the table.
2. Look down that column for the coloured square that matches your climate. █ = Tropical, █ = Warm, █ = Cool
3. Look to the left for the Chlorinator model that suits your pool capacity and climate.

AVAILABLE FROM YOUR
LOCAL POOL PRO STOCKIST

**Residential: 3 years on Power Pack & Cell.
Commercial warranties apply.*
